PROFESSIONAL EXPERIENCE			
Assistant Manager, Boutique consulting startup focused on leadership, organisational effectiveness and capability-building	(October 2024 - Present)		
Joined as Intern; converted to full-time role within 3 months based on performance			
Strategy & Client Delivery			
<ul style="list-style-type: none"> Led 6 concurrent client workstreams across Biotech, IT, Mining, FinTech and Education by diagnosing communication and capability gaps; delivered 100% projects on time. Designed 50+ strategy & capability-building decks by analysing client pain points, synthesising research and developing frameworks; reduced revision cycles by ~30% and improved CXO clarity. Built 20+ client proposals, translating ambiguous briefs into clear scopes and timelines strengthening win potential. 			
Process Improvement & Operational Ownership			
<ul style="list-style-type: none"> Identified documentation inefficiencies; created standardised templates that reduced rework by ~25% and improved coordination. Managed podcast operations by structuring guest pipelines and vendor coordination, achieving >95% on-time delivery. 			
Leadership & Stakeholder Management			
<ul style="list-style-type: none"> Supervised and trained 3 interns, implementing QA checklists and reviews that improved first-draft quality, reducing rework by ~15%. Owned cross-stakeholder coordination across clients, internal teams and vendors to ensure delivery under tight timelines. 			
Finance Intern, Aditya Birla Finance Ltd.	(May 2024- July 2024)		
Leading NBFC within the Aditya Birla Group, providing lending solutions across retail and MSME segments			
<ul style="list-style-type: none"> Evaluated 1,000+ SME clients using financial statements, GST data and ratios, to support credit risk assessment and flag high-risk cases. Identified fraud patterns and documentation discrepancies, contributing to improved process safeguards within workflows. Developed Excel dashboards (pivots, formulas, recorded macros) that cut repetitive manual effort by ~20% and strengthened visibility. Supported vendor evaluation and onboarding, contributing to the selection of 3 API partners aligned with workflow needs. 			
Intern, .	(December 2023- February 2024)		
Early-stage D2C wellness startup focused on herbal products and digital-first brand growth			
<ul style="list-style-type: none"> Analysed influencer & campaign performance to identify cost-efficient channels and high-impact creators; delivered weekly reports that strengthened leadership's marketing spend decisions. Conducted competitor and market research to support pricing and assortment discussions. 			
PROJECTS			
<ul style="list-style-type: none"> Business Strategy Analysis (Aditya Birla Group): Evaluated strategic position using BCG matrix, VRIO and SWOT; recommended 3 shifts to strengthen competitive positioning.
